

RETRO CAMPING LANTERN

RETRO CAMPING LANTERN

Long battery life/stepless dimming/easy to carry

PRODUCT PARAMETERS

PRODUCT PARAMETERS

MODEL	MY-88071 rechargeable model	MY-88071 Solar model
MATERIAL	ABS+PS lampshade	ABS+PS lampshade
LAMP BEADS	White light and flame light	White light and flame light
BATTERY	18650 4000mAH lithium battery (without protection board)/3*44 dry battery (dry battery without charging function)	18650 4000mAH lithium battery (without protective plate)/3*44 dry battery (dry battery without charging function)/solar panel
BRIGHTNESS	180LM	180LM
TYPE-C INTERFACE	5V/1A charging	5V/1A charging
PRODUCT SIZE	11*11*18.8CM	11*11*18.8CM
PACKAGE SIZE	11.5*11.5*19.2CM	11.5*11.5*19.2CM
WEIGHT	270.4G	322.9G
SINGLE G.W.	329.9G	381.3G
WHOLE G.W.	16.5KG	16.5KG
BOX GAUGE	71*36*40.5cm/36psc (without inner box) 72*37*43.5cm/36psc (with 2g inner box)	71*36*40.5cm/36psc (without inner box) 72*37*43.5cm/36psc (with 2g inner box)
ROTATE APPEARANCE FUNCTION	ON/OFF, stepless dimming function, power-off switching function	ON/OFF, stepless dimming function, power-off switching function

Data such as brightness and size are tested by our own laboratory, and there may be certain errors due to instruments, test products and other reasons.

FUNCTION	function, power-off switching function	function, power-off switching function

MULTIPLE LIGHT SOURCE LIGHTING

Multi-level brightness can be adjusted, suitable for different ambient lighting

Using LED lamp beads white light is bright and not dazzl

WHITE LIGHT EFFECT

FIRE EFFECT

FLEXIBLE HOOK

Mountaineering hook design, easy to use

FLEXIBLE HOOK

Mountaineering hook design, easy to use

SOLAR CHARGING

Charge in sunlight, charge when there is light

SOLAR CHARGING

SOLAR PANEL

TYPE-C CHARGING PORT

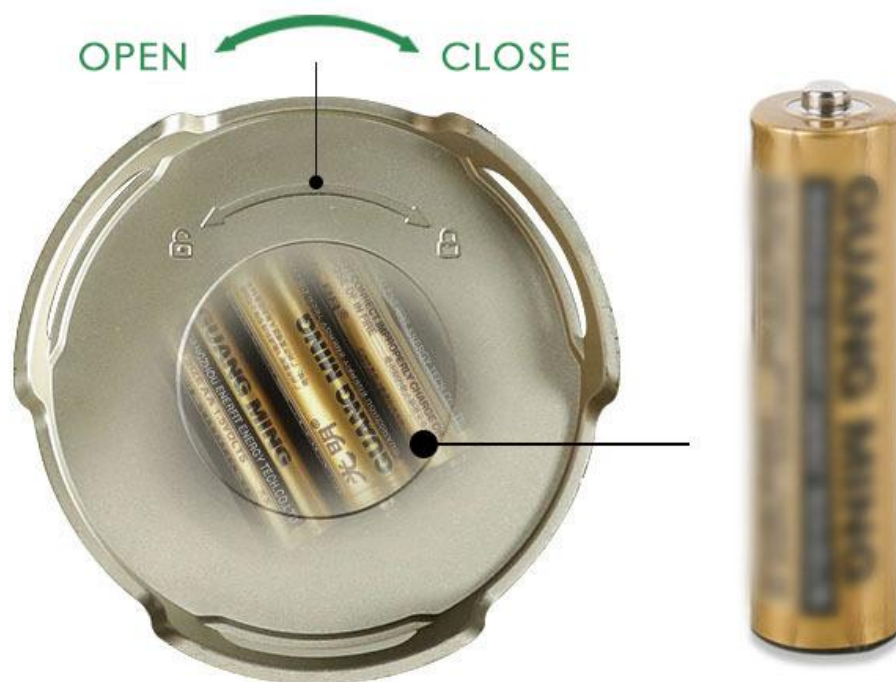

DRY BATTERY CAN BE USED

3 AA dry batteries

DRY BATTERY CAN BE USED

3 AA dry batteries

Power type-c input (5V/1A) and battery (three dry batteries No. 5*3), flexible operation, convenient and quick to use

Power type-c input (5V/1A) and battery (three dry batteries No. 53), flexible operation, convenient

and quick to use

STEPLESS DIMMING

Different color temperature and brightness to meet the needs of different occasions, more atmosphere

STEPLESS DIMMING

Different color temperature and brightness to meet the needs of different occasions, more atmosphere

INCREASE/OPEN

REDUCE/CLOSE

0-180LM

PRODUCTS REAL SHOT

White diffuser shade

Geometric protective cover

ABS engineering plastic
